## Dr Geoff Barnett

Specialist Plastic  
& Cosmetic Surgeon

## Experience and Qualifications

- Bachelor of Medicine and Bachelor of Surgery  
Monash University
- Plastic and Reconstructive Surgery (FRACS)  
The Royal Australasian College of Surgeons

In addition to his 35+ years of experience, Dr Barnett has also gained international Plastic Surgery education and training at the Odstock Hospital in Salisbury, UK. His advanced training includes a wide range of Specialist Cosmetic and Plastic Surgery procedures for both women and men.

## Primary Areas of Focus

Dr Barnett dedicates his practice to Facelifts, Blepharoplasty (Eyelid Surgery), Breast Augmentation and other Breast Procedures, Arm Lift Surgery and other Body Contouring procedures including Abdominoplasty (Tummy Tuck) and Male Breast Reduction for Gynaecomastia.

Dr Barnett is also highly skilled in performing Transaxillary Breast Implants, particularly for patients of Asian descent and those with darker skin complexions.

The Transaxillary Breast Implant procedure is performed by making the incision through the under-arm instead of under the breast fold. This can help hide the telltale signs of breast surgery and assist in prevention of keloid scars.

## Professional Memberships

Dr Geoff Barnett is currently a member of:

- Fellow of the Royal Australasian College of Surgeons (FRACS)
- The Australian Society of Plastic Surgeons (ASPS)
- The Australasian Society of Aesthetic Plastic Surgery (ASAPS)
- International Society of Aesthetic Plastic Surgery (ISAPS)
