

Dr David Ross

Plastic Surgeon

About Dr Ross

Dr. David Ross M.D. is respected both in Australia and internationally as a prominent plastic surgeon. He is uniquely qualified to perform all of the latest reconstructive and cosmetic surgery procedures at a variety of Melbourne private hospitals.

Dr. David Ross consults in three Melbourne practice locations making his cosmetic plastic surgery practices readily accessible to all the communities of the bayside, south eastern suburbs and Mornington Peninsula.

Surgical Procedures

Dr. David Ross has extensive training and experience and is therefore able to offer a comprehensive selection of reconstructive and cosmetic surgery procedures.

Surgeries performed by Dr Ross include:

- Breast Augmentation
- Breast Reduction
- Breast Implant removal
- Body Lift
- Reconstructive Surgery
- Hand Surgery
- Paediatric Plastic Surgery
- Injectables - Anti Wrinkle & Fillers

Plastic Surgeon

Experience & Training

Dr. David Ross is respected both in Australia and internationally as a prominent plastic surgeon and trainer of other plastic surgeons.

Dr. David Ross has published many articles on reconstructive and cosmetic plastic surgery, and uses his training and experience to educate general practitioners, junior doctors, nurses, and other plastic surgeons across Australia. He has been the supervisor of Plastic Surgery training at Monash Health for 10 years, overseeing the training of 25 Plastic Surgeons in that time.

He is a regular participant in the annual meetings of the Australian Society of Plastic Surgeons, Australian Society of Aesthetic Plastic Surgery and the Australasian College of Surgeons, where he frequently presents his research outcomes to his colleagues. Dr. Ross performs more than 80 surgical procedures each month in his practice.

Education and Qualifications

Dr Ross studied Medicine at The University of Melbourne before earning his fellowship from the Royal Australasian College of Surgeons.

He went on to pursue three years of advanced post-fellowship training with several of North

America's leading plastic surgeons, returning to Melbourne in 1996 to establish his practice at Bayside Plastic Surgery.
