

# Dr Patrick Briggs

Specialist Plastic Surgeon

FRACS (Plas Surg)

## About Dr Briggs

Dr Patrick Briggs is an internationally trained, Specialist Plastic Surgeon with over 20 years' experience. Dr Briggs began his general surgery training in London and undertook further training in Plastic Surgery in the USA and Ireland. After graduating as a qualified Specialist Plastic Surgeon, Dr Briggs worked in the Middle East and in Harley Street, London, a location known for being the epicentre of superior medical experience and standard.

After 6 years at Harley Street, Dr Briggs immigrated to Perth, Australia where he opened his private practice and was recognised as a highly-skilled Specialist Plastic Surgeon in the state and became well known for his innovating and up-to-date approach in the field.

Dr Briggs has been published widely in surgical literature; he is trained and experienced in all aspects of Plastic and Cosmetic Surgery. He has started the next chapter of his professional career in Melbourne where he will continue to maintain the high standard that has fostered his exceptional reputation.

## The Dr Briggs Difference

Dr Briggs is dedicated to excellence in patient care and committed to treating each and every patient professionally, with respect and privacy. Known for his calming and kind bedside manner, patients can expect clear, objective medical advice.

Dr Briggs is well known for his innovative and up-to-date approach, which is evident in the utilisation of short scar techniques and more recently as a Specialist Surgeon for Breast Augmentation in Australia.

## Why choose Dr Briggs

Dr Briggs' extensive experience across multiple surgical fields has allowed him to refine his skills to produce optimum results for his patients.

Combined with his experience, Dr Briggs continually attends conferences and seminars to extend his knowledge and training surrounding the latest and best surgical techniques and equipment. By doing so he is able to provide his patients with the highest level of care and skill ensuring quality results.

Dr Briggs vast knowledge and experience ensures all his patients feel safe and secure within his care. His thorough and compassionate nature means he is there to support his patients through every step of their surgical journey.
