

## Skin Treatment Menu

### Skin Consultation

From  
**\$100**

Embark on your skin transformation journey at Coco Ruby Plastic Surgery, guided by our team of exceptionally skilled Dermal Clinicians.

---

### Laser Genesis

From  
**\$450**

Laser genesis is a non-invasive laser treatment, that enhances your natural complexion by stimulating collagen production, reducing redness, and revealing a more radiant appearance.

---

### Laser Toning

From  
**\$500**

Utilises photoacoustic pulses to effectively target and breakdown pigmentation within the skin to create that even skin tone.

---

### Frac Revive

From  
**\$700**

Intense fractionated laser treatment to brighten and retexturize the skin for a smoother appearance.

---

### Carbon Laser Facial

From  
**\$550**

Deeply exfoliates, minimizes pore size, and promotes a more radiant and clearer complexion.

---

### Vascular & Pigment Lesions

From  
**\$250**

Individual lesions will be targeted with the appropriate laser to minimise their appearance on the skin.
